TESTIMONIALS

"Our tour was fantastic. The beauty of an escorted tour with Grand Journeys By Wilson Tours was that we didn't have any of the worries involved with travelling. Ewan and Monique took care of all of that. I loved how there was a cruise as part of the tour, we didn't have to spend weeks on a coach, or get up early in the morning. We unpacked once and were delivered to a new and exciting port of call, where we could explore at our own pace or join Ewan and Monique on one of their excursions. Monique was great, she was informative and the way she could switch from English to French was very handy!"

Nancy and Douglas - September 2009: Around the World

"As a single woman travelling on my own, I loved the idea of travelling with a group, especially from NZ. I knew we would all be Kiwis and more or less have a lot in common. It was also nice to part of a group, I didn't feel alone or like a third wheel. Ewan and Monique were always so very helpful and attentive."

Eileen - November 2009: Athena Cruise

"Ewan plans his tours meticulously and had just the right combination of exciting destinations and things to, while having the time to enjoy the experience."

Peter and Lynn - November 2009: Athena Cruise

"I've enjoyed travelling with Ewan and Monique so much that I have been on all of their tours so far and will be joining them on their "Grand Tour" to South Africa 2010."

Colleen - Sep 2009: Around the Wold Tour and Nov 2009 Athena Cruise

"I couldn't believe it, each day I kept saying "this is the best day of my life", "that was the most amazing thing I have ever seen"... that's it, I'm only travelling with Ewan and Monique in the future..."

Dawn and Ray- November 2009: Athena Cruise

ABOUT GRAND JOURNEY

It was while looking out at the calm blue waters of the Mediterranean that Ewan and Monique Wilson had an idea. Combine their love of travelling, exploring, cruising and to share it with others. It was from this that Grand Journey By Wilson Tours was created. This family-run company specialises in fully escorted tours from Australasia.

Each tour is designed to maximise the joy of exploring the world at a leisurely pace. Each tour includes a cruise, blending adventure with comfort. We want to make each tour not just a trip but a *Grand Journey*. As brokers with Frontier Travel we are members of IATA and TAANZ for your protection.

Our clients mean the world to us. We offer them the very best elements of travel - the anticipation, new experiences, discovery, mystery, with none of the planning or logistic issues associated with travelling unescorted, whilst giving you as much freedom as you require. All of our groups are small with a maximum of 28 in any one group. Kiwis and Australians like to travel and we enjoy making their travel experience affordable, hassle-free, memorable and, above all, fun.

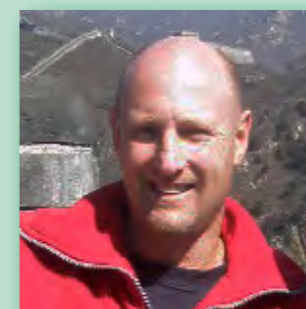

2010 is going to be a big year, with five amazing and different tours; there is something for everyone. ***Come and explore the world with us...***

We strongly suggest that you purchase a complete and comprehensive travel insurance policy. Amendment fees differ; we, dependent on the complexity of the changes will charge a fee. Some airlines and companies may also charge for any changes you make to your booking.

AIRLINES

Many Airlines now have very strict policies on making reservations and payment. Prices vary from day to day depending on day of travel. Many airlines automatically cancel your booking if payment is not made on time. This is outside of our control. All airfares are subject to increase without notice until paid in full. If in the course of your trip you do have an experience which is not to your satisfaction you must attempt to take the matter up directly with the supplier (hotel or tour operator) at the time to allow them to rectify the problem. Please buy your Insurance at the time of making your booking.

PASSPORT/VISAS

For all travel out of New Zealand you require a valid passport and for some countries a valid visa. Many countries require passports to be valid for 6 months beyond your stay. If you are not a New Zealand passport holder you must have a re-entry permit to re-enter New Zealand. Ensuring you have the correct passport and visa requirements is your responsibility. Please ask if you would like assistance.

PRICES AND PAYMENT

The price given on any quote or invoice is for cash or cheque payments only. These prices often reflect a discount. Credit card payments will not be discounted due to the additional fees charged by the credit card companies. For credit card payment you can expect to add approx. 3% to your quoted price. All prices are subject to change without notice. All quotes are subject to increase without notice and are subject to change due to errors or omissions.
